Individual appointments are available to discuss workshop material. Contact Academic Learning Services at 346-3226 or send email to the instructor for availability and scheduling.

## Course Materials (provided)

*The Official SAT Study Guide: For the New SAT*, College Board and Educational Testing Service.  
*SAT Workshop Binder*.

## Workshop Sessions (4 Day Series)

Items covered include:

- Different question types with strategies and suggestions for skill building and pacing
- Vocabulary and math multiple choice questions
- Writing and reading comprehension
- Grid-Ins and geometry for the math section
- Sentence completion for the verbal section
- A full length SAT practice exam

Skill building assignments will be given each session from the SAT book and handouts.

For more information regarding the SAT/PSAT exams,  
please contact the University of Oregon Testing Center at 541-346-3230.
