Fees must be paid before being enrolled in a tutoring group. Once enrolled, you are expected to attend the next available group session. If after this session you want to request a refund, you must do so in writing at ALS (68 PLC) before your tutoring group meets again. After this point, ALS assumes the tutoring arrangement is agreeable to both you and the tutor, and no refunds will be given.

Students may be able to receive paid tutoring as active members of the Student Support Services (SSS) program or the Office of Multicultural Academic Support (OMAS). Contact these offices directly for more information.
