

Field Study Observer: _____ Date: _____

Mudflats

Field Study Inquiry Results

Tabulating our results: Use Tally Marks to combine class results for each zone.

		Clams	Worms	Burrows	Other
Low	<i>Zone 1</i>				
	Totals				
Middle	<i>Zone 2</i>				
	Totals				
High	<i>Zone 3</i>				
	Totals				
Entire Mudflat Totals					

Write three comparison statements about our class inquiry tabulated results:

1. _____

2. _____

3. _____

Mudflats

Field Study Inquiry Results

Graphing our tabulated results.

Create a **Bar Graph** for each zone. Shade in the total amount for each row in each zone.

Low

Zone 1	Clams																				
	Worms																				
	Burrows																				
	Other																				
	Totals	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20

Medium

Zone 2	Clams																				
	Worms																				
	Burrows																				
	Other																				
	Totals	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20

High

Zone 3	Clams																				
	Worms																				
	Burrows																				
	Other																				
	Totals	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20
