08:00 back to camp/sleep	08:00 back to camp/sleep	

PLEASE NOTE:

1.) The above agenda is based on prompt departures and ideal driving and hiking conditions. Changes in the agenda and/or topics may be necessary during the outing.

2.) It is the responsibility of each student to arrive at the meeting point at or before the designated time with all of the required items of clothing and equipment, which must be properly fitted and in good working order. Any items to be checked out from the University gear room must be reserved in advance through the course instructor. Failure to comply fully with these requirements is grounds for exclusion from the outing, in which case no refunds will be granted.

3.) Students are solely responsible for any personal items stored in the vehicles or in the gear room. Personal gear stored in the vans is not insured by the State of Oregon, the University of Oregon or its agents or officers.

4.) In addition to achieving the skills objectives of the class, we hope that you gain an understanding and appreciation of the area in which we are traveling. Please share your observations and knowledge with the group, and ask the instructors and other group members if you have any questions about the area's history, geology, plants or animals.
