

**THOMAS JAMES DISHION**  
CURRICULUM VITAE

Child and Family Center  
University of Oregon  
195 West 12th Avenue  
Eugene, OR 97401-3408  
(541) 346-3620  
dishion@uoregon.edu

**EDUCATION AND DEGREES**

*University of California at Santa Barbara*

B.A. Philosophy, June 1977

*University of Oregon*

M.A. Behavioral Science, January 1980

M.A. Clinical Psychology, January 1984

Ph.D. Clinical Psychology, June 1988

*University of Washington*

APA-approved Clinical Psychology Intern, Child Track, Department of Psychiatry and Behavioral Science, July 1987 to July 1988

**AREAS OF SPECIALIZATION AND INTEREST**

*Child Clinical:* Developmental psychopathology, socialization, family and peer interaction, child and adolescent substance use and problem behavior, family-based intervention, behavior-change theory, prevention science, dynamic systems, social neuroscience.

**HONORS AND AWARDS**

American Psychological Society Fellow, 2001

Society for Research on Adolescence Social Policy Best Journal Article Award, 2002:

Dishion, T. J., McCord, J., & Poulin, F. (1999). When interventions harm: Peer groups and problem behavior. *American Psychologist*, 54, 755-761.

University of Oregon Research Innovation Award, 2006

American Psychological Association, Distinguished Contributions to Family Psychology, 2006

**PROFESSIONAL EXPERIENCE**

*University of Oregon, Department of Psychology, September 2006 to present*

Professor of Psychology and Professor of School Psychology

*Child and Family Center, University of Oregon, December 1999 to present*

Founder and Director of Research

*University of Oregon, Department of Psychology, September 1999 to 2001*

Director of Clinical Training

*University of Oregon, Department of Psychology, September 1998 to July 2004*

Principle Investigator of Development and Psychopathology Training Grant

*University of Oregon, Department of Psychology, June 1997 to September 2006*

Professor of Clinical Psychology

*University of Oregon, College of Education, June 1995 to June 1997*

Associate Professor of Counseling Psychology

*Oregon Social Learning Center, July 1988 to September 2000*

Research Scientist

*State of Oregon, 1991 to present*

Licensed Child Clinical Psychologist

**PROFESSIONAL SCIENCE ACTIVITIES**

- March 2003–present Duke Executive Committee on Peer Contagion and Social Policy; Steering Committee with Dr. Kenneth Dodge and Dr. Joan McCord.
- October 1988–present NIMH and NIDA: Consultant in Scientific Peer Reviews.
- October 1992–1996 NIAAA: Reviewer in Epidemiology and Prevention.
- January 2005–January 2009 NIH: Reviewer in the Psychological Development, Risk and Prevention Review Committee.
- June 2005–present Board of Directors, Society for Prevention Research,
- January 2007–present Board of Directors, Implementation Sciences International Incorporated
- Past Member, Editorial Boards: *Developmental Psychology, Child Development, Journal of Adolescence, Journal of Abnormal Child Psychology.*
- Consulting Reviewer: *Journal of Family Psychology, Developmental Psychopathology, Journal of Abnormal Psychology, Journal of Substance Abuse, Psychological Bulletin, Journal of Consulting and Clinical Psychology, Development and Psychopathology, Journal of Abnormal Child Psychology, Child Development.*

- Hogansen, J. M., & Dishion, T. J. (2000, November). *Analysis of change process in group interventions with parents of antisocial adolescents*. Poster session presented at the 34th annual convention of the Association for the Advancement of Behavior Therapy, New Orleans, LA.
- Dishion, T. J. (2001, April). *Understanding and preventing adolescent drug abuse*. Presentation made at the biennial meeting of the Society for Research in Child Development, Minneapolis, MN.
- Dishion, T. J., & Owen, L. D. (2001, April). *Friendship process and progressions in drug use from adolescence to manhood*. Paper presented at the biennial meeting of the Society for Research in Child Development, Minneapolis, MN.
- Dishion, T. J., Granic, I., Burraston, B., & Kavanagh, K. (2001, May–June). *A two-stage analysis of prevention effects: Early adolescent problem behavior*. Presentation made at the ninth annual meeting of the Society for Prevention Research, Washington, DC.
- Dishion, T. J., Granic, I., & Bullock, B. (2001, June). *Advances in peer process research in understanding the development of problem behavior*. Presentation made at the 10th scientific meeting of the International Society for Research in Child and Adolescent Psychopathology, Vancouver, BC, Canada.
- Dishion, T. J., Kavanagh, K., Ball, A., & Stormshak, E. (2001, June). *An ecological perspective on families: Science and practice in the third millennium*. Presentation at the Washington State Family Policy Council, “On the Horizon: An Interstate Forum to Address Children’s Mental Health Issues,” Vancouver, WA.
- Hogansen, J., & Dishion, T. J. (2001, June). *Promoting change in parent group interventions for adolescent problem behavior*. Poster session presented at the 10th scientific meeting of the International Society for Research in Child and Adolescent Psychopathology, Vancouver, BC, Canada.
- Dishion, T. J. (2001, December). *An ecological perspective on families: Integrating science and practice*. Presentation made at the Eastern Oregon Psychological Association and The Confederated Tribes of the Umatilla Indian Reservation, Pendleton, OR.
- Dishion, T. J. (2002, March). Presentation made at The Harris School, University of Chicago, Chicago, IL.
- Bullock, B. M., & Dishion, T. J. (2002, April). *Entropy and socialization: New directions in understanding deviant peer process*. Poster session presented at the ninth biennial meeting of the Society for Research on Adolescence, New Orleans, LA.
- Dishion, T. J. (2002, April). *An ecological approach to the prevention of adolescent problem behavior: Interventions with families within a public school context*. Presentation made at the ninth biennial meeting of the Society for Research on Adolescents, New Orleans, LA.
- Dishion, T. J. (2002, April). Understanding and preventing adolescent drug abuse. In J. Campbell (Chair), *Building bridges between adolescent research and substance abuse research: Challenges and opportunities*. Symposium conducted at the ninth biennial meeting of the Society for Research on Adolescents, New Orleans, LA.
- Dishion, T. J., & Nelson, S. E. (2002, April). A longitudinal analysis of adolescent marijuana use: Parenting disengagement in the presence of deviant friendship process. In M. Brendgen & F. Vitaro (Chairs), *A closer look at similarities and differences of parent and peer influences on adolescent problem behaviors*. Symposium conducted at the ninth biennial meeting of the Society for Research on Adolescents, New Orleans, LA.
- Dishion, T. J., Nelson, S. E., & Bullock, B. M. (2002, April). Longitudinal observations of prosocial and deviant friendship process: Understanding the contribution of peers to young adult adjustment. In T. Nichols (Chair), *Measuring adolescent social competence: Connecting the ideal to the real*. Symposium conducted at the ninth biennial meeting of the Society for Research on Adolescents, New Orleans, LA.

- Dishion, T. J. (2002, May). *Peer contagion process: Implications for developmental and intervention science*. Presentation made at Oregon Research Institute, Eugene, OR.
- Dishion, T. J., & Kavanagh, K. (2002, May). An ecological approach to family-centered prevention of problem behavior. In F. Gardner (Chair), *Preventing problem behavior in early childhood: Using an ecological framework to build effective collaboration*. Symposium conducted at the 10th annual meeting of the Society for Prevention Research, Seattle, WA.
- Poulin, F., Dishion, T. J., & Boivin, M. (2002, July). Proactive/reactive aggression and adjustment problems in adolescence: A look at peer and family processes. In M. Brendgen (Chair), *Developmental pathways of proactive and reactive aggression: Precursors and consequences*. Symposium conducted at the 15th world meeting of the International Society for Research on Aggression, Montreal, Quebec, Canada.
- Dishion, T. J., Bullock, B. M., & Nelson, S. (2002, August). A dynamic systems analysis of developmental trajectories: Prosocial and deviant adaptation as an attractor process. In I. Granic & M. Lewis (Chairs), *Dynamic systems approaches to normative and antisocial trajectories of adolescent development*. Symposium conducted at the 17th biennial meeting of the International Society for the Study of Behavioural Development, Ottawa, Ontario, Canada.
- Dishion, T. J., Nelson, S., Yasui, M., Dorham, C., & Poulin, F. (2002, August). The ecology of deviant peer involvement in early adolescence: A longitudinal analysis of young multiethnic adolescents. In F. Vitaro & R. Engels (Chairs), *Peers in multiple contexts and adjustments during adolescence*. Symposium conducted at the 17th biennial meeting of the International Society for the Study of Behavioural Development, Ottawa, Ontario, Canada.
- Dishion, T. J., & Nelson, S. (2002, September). *Peer sequelae of familial entropy in adolescence*. Presentation made at the conference of the European Association for Research on Adolescence, New College, Oxford, UK.
- Dishion, T. J. (2003, March). *An ecological approach to intervening with children and adolescents with problem behavior*. Presentation made at The Hospital for Sick Children, Toronto, Canada.
- Dishion, T. J. (2003, April). Pragmatism in modeling peer influence: The impact of parent interventions on deviant peer association. In J. P. Allen (Chair), *Exploring the dark side of peer groups: What determines (or prevents) peer influences from turning negative*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Tampa, FL.
- Dishion, T. J. (2003, April). The dynamics of friendship influence: Deviant talk as an attractor that predicts antisocial outcomes. In I. Granic (Chair), *Predicting antisocial behavior from observations of socialization processes: New systems approaches*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Tampa, FL.
- Yasui, M., Dorham, C. L., & Dishion, T. J. (2003, April). *Ethnic identity and psychological adjustment: Comparing validities for European American and African American adolescents*. Poster session presented at the biennial meeting of the Society for Research in Child Development, Tampa, FL.
- Dishion, T. J., & Nelson, S. E. (2004, March). The Family Check-Up with high-risk young adolescents: Preventing substance use through parent monitoring. In K. Weichold & L. Caldwell (Chairs), *Mediators and moderators of the effectiveness of prevention programs against juvenile problem behaviors*. Symposium conducted at the tenth biennial meeting of the Society for Research on Adolescence, Baltimore, MD.
- Dishion, T. J. (2004, April). *An ecological approach to mental health services for children and families*. Presentation made at Oregon Research Institute, Eugene, OR.
- Dishion, T., & Gardner, F. (2004, May). *Innovation in observation methods for prevention science*. Presentation made at the 12<sup>th</sup> annual meeting of the Society for Prevention Research. Quebec City, Quebec.

- Kline, T., Wilson, M., Shaw, D. S., Gardner, F., Dishion, T., & Winslow, E. (2004, May). *Assessment of problematic toddler behavior in a preventative developmental intervention*. Presentation made at the 12<sup>th</sup> annual meeting of the Society for Prevention Research. Quebec City, Quebec.
- Shaw, D., Wilson, M., Gardner, F., & Dishion, T. (2004, May). *Utilization of Women, Infant, and Children (WIC) centers for conducting a preventive intervention for toddlers at-risk for early conduct problems*. Presentation made at the 12<sup>th</sup> annual meeting of the Society for Prevention Research. Quebec City, Quebec.
- Bullock, B. M., & Dishion, T. J. (2004, July). *Affective family dynamics of adolescent problem behaviour*. Poster session presented at the Ghent 2004 biennial meeting of the International Society for the Study of Behavioural Development, Ghent, Belgium.
- Connell, A., & Dishion, T. J. (2004, July). *Peer and family predictors of growth in adolescent depressed mood: Conditional growth models*. Poster session presented at the Ghent 2004 biennial meeting of the International Society for the Study of Behavioural Development, Ghent, Belgium.
- Connell, A., & Dishion, T. J. (2004, July). *The contribution of peer processes to monthly variation in early adolescent depressed mood: A short-term longitudinal study with time-varying predictors*. Poster session presented at the Ghent 2004 biennial meeting of the International Society for the Study of Behavioural Development, Ghent, Belgium.
- Dishion, T. J., Light, J. M., & Yasui, M. (2004, July). A network analysis of the confluence hypothesis in early adolescence. In F. Poulin & J. Kiesner (Conveners), *Changing peer networks during adolescence: Relations with problem behavior and substance use*. Symposium presented at the Ghent 2004 biennial meeting of the International Society for the Study of Behavioural Development, Ghent, Belgium.
- Dishion, T. J., Yasui, M., Stormshak, E. A., & Kavanagh, K. (2004, July). *A family intervention for early adolescent deviance within schools: A latent growth curve analysis of outcomes from age 11 through 14*. Presented at the Ghent 2004 biennial meeting of the International Society for the Study of Behavioural Development, Ghent, Belgium.
- Gardner, T. W., Ellis, L. K., Dishion, T. J., Posner, M. I., & Rothbart, M. K. (2004, July). *Using the Attention Network Task to predict adolescent antisocial behavior*. Poster session presented at the Ghent 2004 biennial meeting of the International Society for the Study of Behavioural Development, Ghent, Belgium.
- Liu, F., & Dishion, T. J. (July, 2004). *Parenting resource preferences and engagement in the Adolescent Transitions Program*. Poster session presented at the annual meeting of the American Psychological Association, Honolulu, HI.
- Yasui, M., Dishion, T. J., & Light, J. M. (2004, July). *Comparing the proportion and stability of interracial friendships among schools of varying ethnic diversity*. Poster session presented at the Ghent 2004 biennial meeting of the International Society for the Study of Behavioural Development, Ghent, Belgium.
- Connell, A. M., & Dishion, T. J. (2005, April). *Trajectories of substance use development in early adolescence: Examining peer and family risk factors and intervention effects*. Poster session presented at the biennial meeting of the Society for Research in Child Development. Atlanta, GA.
- Dishion, T. J. (2005, April). *Deviant peer contagion and group interventions with children and adolescents*. Presentation at the 85<sup>th</sup> annual convention of the Western Psychological Association. Portland, OR.
- Dishion, T., Kavanagh, K., & Stormshak, E. A. (2005, April). The pragmatism of a family-peer mesosystem model for adolescent problem behavior: Links to effective prevention. In A. D. Crump (Chair), *Translating the science of human development into preventive interventions: Case studies from the field*. Symposium presented at the biennial meeting of the Society for Research in Child

Development. Atlanta, GA.

- Gardner, T. W., & Dishion, T. J. (2005, April). Temperamental effortful control moderates relation between deviant peer affiliation and antisocial behavior. In J. A. Goodnight (Chair), *An interactionist approach to understanding development of adolescent antisociality*. Symposium presented at the biennial meeting of the Society for Research in Child Development. Atlanta, GA.
- Kline, T. L., Wilson, M. N., Schlatter, A. K. W., Galloway, S. K., Shaw, D. S., Dishion, T. J., & Gardner, F. (2005, April). *Response differences in ethnic identity. Life satisfaction and child behavior problems in a low income population*. Poster session presented at the biennial meeting of the Society for Research in Child Development. Atlanta, GA.
- Lim, M., Stormshak, E. A., & Dishion, T. J. (2005, April). *A one-session intervention for parents of young adolescents: Videotape modeling and motivational group discussion*. Poster session presented at biennial meeting of the Society for Research in Child Development, Atlanta, GA.
- Nelson, S., & Dishion, T. J. (2005, April). From boys to men: Predicting adult adaptation from middle childhood sociometric status. In M. Brendgen & W. M. Bukowski (Chairs), *Addictive and interactive effects of childhood behavioral dispositions and social experiences in school on adult psychopathology*. Symposium conducted at the biennial meeting of the Society for Research in Child Development. Atlanta, GA.
- Piehler, T. F., & Dishion, T. J. (2005, April). *Social development in adolescent friendship: The interplay between dyadic mutuality and deviant talk*. Poster presented at the biennial meeting of the Society for Research in Child Development, Atlanta, GA.
- Shaw, D. S., Gardner, F., Dishion, T. J., Supplee, L., & Wilson, M. N. (2005, April). A family based preventive intervention for toddlers at-risk for early conduct problems. In E. A. Stormshak (Chair), *Model based approaches to prevention and intervention with at-risk youth*. Symposium presented at the biennial meeting of the Society for Research in Child Development. Atlanta, GA.
- Stormshak, E. A., & Dishion, T. J. (2005, April). Family based mental health delivered in public middle schools: Linking changes in problem behavior to service delivery. In E. A. Stormshak (Chair), *Model based approaches to prevention and intervention with at-risk youth*. Symposium presented at the biennial meeting of the Society for Research in Child Development. Atlanta, GA.
- Yasui, M., & Dishion, T. J. (2005, April). *Predictive validity of teacher ratings of student behavior: Are they culturally valid?* Poster session presented at the biennial meeting of the Society for Research in Child Development. Atlanta, GA.
- Yasui, M., & Dishion, T. J. (2005, April). *The protective effects of ethnic identity among high risk youth: Prosocial peers and positive adolescent adjustment*. Poster session presented at the biennial meeting of the Society for Research in Child Development. Atlanta, GA.
- Dishion, T. J., Piehler, T. F., & Gardner, T. (2005, June). *Peer dynamics in the development and change of child and adolescent problem behavior*. Paper presented at the 12th scientific meeting of the International Society for Research in Child and Adolescent Psychopathology, New York, NY.
- Falkenstein, C.A., & Dishion, T.J. (2005, August). *How much observation is enough: Methodological issues in parent child interactions*. Poster session presented at the annual meeting of the American Psychological Association, Washington, DC.
- Piehler, T. F., & Dishion, T. J. (2005, November). *Family intervention effects on growth in deviant peer association: An evaluation of the Adolescent Transitions Program*. Poster presented at the conference for Applications of Social Network Analysis to the Prevention of Substance Use and Delinquency, University Park, PA.
- Dishion, T., & Connell, A (2006, February). *Adolescents' resilience as a self-regulatory process: Promising themes for linking intervention with developmental science*. Paper presented to the New York Academy of Sciences meeting on Resilience in Children.

- Boislard, P. M., Poulin, F., Kiesner, J., & Dishion, T. J. (2006, March). Psychosocial correlates of risky sexual behaviors of Italian and Canadian adolescents. In B. McWhirter (Chair), *Sexual behavior, risk, and protective factors among adolescents in four countries: International contrasts and similarities*. Symposium presented at the 11<sup>th</sup> biennial meeting of the Society for Research on Adolescence. San Francisco, CA.
- Bullock, B. M., & Dishion, T. J. (2006, March). *Entropy and socialization: New directions in understanding family processes and adolescent antisocial behavior*. Poster session presented at the 11<sup>th</sup> biennial meeting of the Society for Research on Adolescence. San Francisco, CA.
- Connell, A., & Dishion, T. J. (2006, March). Latent growth mixture modeling in family research: Family dynamics and depressive symptom trajectories across adolescence. In L. G. Duncan & M. L. Kan (Chairs), *Improving our understanding of complex family processes through the use of advanced data-analytic techniques*. Symposium presented at the 11<sup>th</sup> biennial meeting of the Society for Research on Adolescence. San Francisco, CA.
- Dishion, T. J., Piehler, T. F., & Winter, C. (2006, March). Adolescent friendships as dynamic systems: Gender-specific models of maladaptation. In I. Granic (Chair), *Direct observations of peer influence processes*. Symposium presented at the 11<sup>th</sup> biennial meeting of the Society for Research on Adolescence. San Francisco, CA.
- Light, J. M., Dishion, T. J., Bonacich, P., & Stormshak, E. A. (2006, March). Changes in the network embedding of antisocial youth during early adolescence. In Francois Poulin (Chair), *Short- and long-term instability in adolescents' friendship networks and psychosocial adjustment*. Symposium presented at the 11<sup>th</sup> biennial meeting of the Society for Research on Adolescence. San Francisco, CA.
- Pedersen, S., Poulin, F., Kiesner, J., & Dishion, T. J. (2006, March). *A bimonthly analysis of friendship network instability and adolescent substance use*. Symposium presented at the 11<sup>th</sup> biennial meeting of the Society for Research on Adolescence. San Francisco, CA.
- Piehler, T. F., & Dishion, T. J. (2006, March). Social dynamics of adolescent friendship: Dyadic mutuality and deviant talk in the development of antisocial behavior. In M. Prinstein & J. Kupersmidt (Chairs), *Processes of adolescent peer contagion*. Symposium presented at the 11<sup>th</sup> biennial meeting of the Society for Research on Adolescence. San Francisco, CA.
- Connell, A., & Dishion, T. (2006, April). *An adaptive approach to family intervention in the public middle schools: Engagement and long-term effects on substance use*. Poster presented at the National Institute on Drug Abuse Research Training Institute, Bethesda, MD.
- Connell, A., & Dishion, T. (2006, May). *Family engagement with an adaptive intervention for adolescent problem behavior: Predictors of treatment compliance and intervention effects*. Paper presented at the Society for Prevention Research, San Antonio, TX.
- Hurt, C., Wilson, M., Dishion, T., & Kavanagh, K. (2006, May). *A multi-level analysis of adolescent substance use: The role of ethnic identity and neighborhood diversity*. Presented at the conference of the Society for Community Research and Action, Puerto Rico, USA.
- Piehler, T. F., & Dishion, T. J. (2006, May). *An evaluation of the Adolescent Transition Program's effects on deviant peer association: A latent growth modeling approach*. Poster presented at the annual meeting of the Society for Prevention Research, San Antonio, TX.
- Venkatraman, S., Dishion, T. J., Poulin, F., & Kiesner, J. (2006, May). *Individual differences among adolescents in India, Italy, and Canada: Parental monitoring, problem behavior, and substance use*. Poster presented at the 14th Annual Meeting of the Society for Prevention Research, San Antonio, TX.
- Dishion, T., Kavanagh, K., Connell, A., & Bullock, B. (2006, July). Family interventions for adolescent problem behavior in the public school context: Long-term findings of the Adolescent Transitions

- Program. Poster presented at the Biennial Conference for the International Society for the Study of Behavioral Development, Melbourne, Australia.
- Dishion, T. J. (2006, August). *Ecological approach to child and family mental health intervention*. Symposium conducted at the American Psychological Association annual conference, New Orleans, LA.
- Dishion, T. J. (2006, August). **The Family Check-Up: Therapist fidelity and changes in young children's problem behavior**. In J. E. Lochman (Chair), *Issues in dissemination of empirically supported interventions for children and adolescents*. Symposium presented at the American Psychological Association annual conference, New Orleans, LA.

Gardner (Chair), *Context and prevention – broad society, media*. Symposium presented at the 16th annual meeting of the Society for Prevention Research, San Francisco, CA.
- Tarter, R., Dishion, T. J., Biglan, A., Burt, S. A., Wilson, D. S., Vanyukov, M., & Newlin, D. (2008, May). *Antisocial behavior: A clinical and social problem considered from evolutionary perspectives*. R. Tarter & D. Fishbein, Chairs. Workshop presented at the 16th annual meeting of the Society for Prevention Research, San Francisco, CA.
- Véronneau, M.-H., & Dishion, T. J. (2008, May). *Predicting high school completion by the participation in a family-centered prevention program during secondary school*. Poster presented at the Society for Prevention Research annual meeting, San Francisco, CA.
- Yasui, M., & Dishion, T. J. (2008, May). *Ethnic-racial socialization in the family context*. Poster presented at the 16th annual meeting of the Society for Prevention Research, San Francisco, CA.
- Lunkenheimer, E. S., Dishion, T. J., Shaw, D. S., Gardner, F., & Wilson, M. (2008, June). *Early, positive parent-child interactions predict school readiness in children at risk*. Poster session, annual Institute of Education Sciences Research Conference, Washington, DC.
- Blanco-Oilar, C., Chronister, K. M., & Dishion, T. J. (2008, August). *Ethnic minority adolescents' substance use and risky sexual behavior: The role of child problem behavior, peer association, and acculturation-related factors*. Poster session, annual meeting of the American Psychological Association, Boston, MA.
- Dishion, T. J. (2008, September). *An ecological approach to child and family intervention*. Dartington-i Annual Lecture, Kings College, Cambridge, UK.
- Gardner, F., Dishion, T. J., & Loeber, R. (2008, September). *Time trends in parenting: Can they help explain time trends in adolescent problem behavior?* Seminar, The Nuffield Foundation, London, UK.
- Hiatt, K. D., Tucker, D. M., & Dishion, T. J. (2008, September). *Attention network performance and psychosocial adjustment in children and adolescents*. Paper presented at the 22nd annual meeting of the Society for Research in Psychopathology, Pittsburgh, PA.
- Dishion, T. J. (2008, October). *An ecological approach to children's mental health interventions: What we know and its implications for public policy*. Sulzberger Distinguished Lecture Series, Duke University Center for Child and Family Policy, Durham, NC.
- Dishion, T. J. (2008, October). *Deviant by design: Risks associated with aggregating deviant peers into group prevention and treatment processes*. Lecture presented at From Science to Practice and Back: Mechanisms of Change in Developmental Psychopathology conference, Community Health Systems Group, Toronto, ONT, CAN.
- Dishion, T. J. (2008, October). *Peer contagion and disruptive behavior problems from childhood through adolescence*. Presentation conducted at CBRF Symposium on Disruptive Behavior Disorders, Chicago, IL.
- Hiatt, K. D., Vogel, E. K., & Dishion, T. J. (2008, October). *Individual differences in P1/N1 attention modulation*. Poster presented at the 48th annual meeting of the Society for Psychophysiological Research, Austin, TX.

- Dishion, T. J. (2009, January). The Family Check-Up. In S. Evans (Chair), *Potentially applicable prevention interventions for families: Pre-and post-deployment*. Addressing Substance Abuse and Comorbidities among Military Personnel, Veterans, and Their Families: A Research Agenda. NIDA: Bethesda, MD.
- Yasui, M., Dishion, T. J., Stormshak, E. A., & Ball, A. (2009, April). Observed ethnic and racial socialization: Mediation effects on adolescent ethnic identity and problem behavior. In M. Yasui (chair), *The unique contributions of ethnic and racial socialization: Differential influences on multiethnic child and youth outcomes*. Symposium to be conducted at the biennial meeting of the Society for Research on Child Development, Denver, CO.

### **WORKSHOPS/COLLOQUIUMS**

- Dishion, T. J., & Kavanagh, K. (1991, November). *Secondary prevention with at-risk middle school youth: A social interactional approach*. Workshop presented at the Association for Advancement of Behavior Therapy, New York, NY.
- Dishion, T. J. (1992, November). *An applied model of antisocial behavior*. Paper presented at the Workshop for Potential Applicants for NIMH Research, "Grants to Prevent Youth Violence," Bethesda, MD.
- Dishion, T. J. (1998, October). *Aggregating high-risk young adolescents in learning environments*. Workshop presented at the National Research Council Commission on Behavioral and Social Sciences and Education (Committee on Law and Justice), Washington, DC.
- Dishion, T. J. (1998, October). *Effective treatment of adolescent substance use disorders: Research to practice*. Institute presented at the American Academy of Child & Adolescent Psychiatry annual meeting, Anaheim, CA.
- Dishion, T. J., Kavanagh, K., & Dionne, R. (1998, November). *The Family Check-Up: A brief intervention for families with young adolescents*. Workshop presented at the 32nd annual convention of the Association for Advancement of Behavior Therapy, Washington, DC.
- Kavanagh, K., Burraston, B., Dishion, T. J., & Schneiger, A. (2000, March). *Identification of middle school students' risk behavior: Contextual influences of gender and ethnicity*. Paper presented at the eighth biennial meeting of the Society for Research on Adolescence, Chicago, IL.
- Poulin, F., & Dishion, T. J. (2000, March). *The peer and family experiences of proactively and reactively aggressive preadolescents*. Paper presented at the eighth biennial meeting of the Society for Research on Adolescence, Chicago, IL.
- Dishion, T. J. (2000, May–June). *An ecological view of adolescent problem behavior: Linguistic, biological, and social underpinnings*. Paper presented at the seventh biennial conference of the European Association for Research on Adolescence, Jena, Germany.
- Dishion, T. J., & Poulin, F. (2000, June). *A process analysis of deviant talk in adolescent friendships: Using generalized estimation equations to account for duration*. Paper presented at the eighth annual meeting of the Society for Prevention Research, Montreal, Quebec, Canada.
- Kavanagh, K., Dishion, T. J., Winter, C., & Burraston, B. (2000, June). *Processes of family and school engagement: Adolescent Transitions Program*. Paper presented at the eighth annual meeting of the Society for Prevention Research, Montreal, Quebec, Canada.
- Dishion, T. J., & Kavanagh, K. (2000, July). *Cultural variation in parenting effect: Direct observations of family management in the homes of successful and high-risk young adolescents*. Poster presented at the International Society for the Study of Behavioural Development, Beijing, China.
- Dishion, T. J. (2000, August). *The Family Check-Up: A brief family intervention for adolescent problem behavior*. Institute presented at the American Academy of Child & Adolescent Psychiatry Annual Meeting, New York.

- Dishion, T. J., & Kavanagh, K. (2000, August). *A multilevel approach to family-centered prevention in schools: Process and outcome*. Presented at the Addictions 2000 meeting, Cape Cod, MA.
- Dishion, T. J. (2001, February). *A multilevel approach to family-centered prevention in schools*. Colloquium presented at Laval University, Quebec City, Quebec, Canada.
- Dishion, T. J. (2001, April). *An ecological approach to family-centered prevention in schools*. Colloquium presented at John Hopkins University Department of Mental Hygiene, Baltimore, MD.
- Dishion, T. J., & Kavanagh, K. (2001, May). *An ecological perspective on families: Science and practice in the third millennium*. Workshop presented at the Oregon Psychological Association Spring Conference, Welches, OR.
- Dishion, T. J. (2001, December). *An ecological perspective on families: Integrating science and practice*. Workshop presented at the Eastern Oregon Psychological Association and The Confederated Tribes of the Umatilla Indian Reservation, Pendleton, OR.
- Dishion, T. J., & Stormshak, E. A. (2002, November). *Culture as a factor in engaging parents of high-risk students: Problems and solutions*. Workshop presented at the first biennial Sundberg Conference on Cultural & Community Psychology, University of Oregon, Eugene.
- Dishion, T. J., & Stormshak, E. A. (2007, May). *An ecological approach to childhood adolescent treatment: The family check-up for children and adolescents*. Workshop conducted at the Oregon Psychological Association, Eugene, OR.
- de Sousa, J., Dishion, T. J., Gill, A., Kavanagh, K., Shaw, D. S., Stormshak, E. A., & Wilson, M. N. (2008, August). Summer training institute for the Family Check-Up and *Everyday Parenting* curriculum. Eugene, OR.
- Dishion, T. J. (2008, October). *Adolescent self-regulation and the brain: Resilience, risk, and intervention*. Workshop presented at the Healthy Brain Development conference, Eugene, OR.
