 - Section 5.1 (p. 333): 10, 18, 26, 32, 40, 53, 57, 70
-

1. Quiz Thursday, of course.
2. This is **Week 7!** Can you believe it? Time flies when you are having fun. Please note that **Friday is the deadline** to drop with a ‘W’ or change grading options. If you decide to change to pass-fail, be aware that some programs that require Math 111 require you to take it for a letter grade. Also, be aware that to earn a “pass”, you must earn the equivalent of a C– or better.
3. My office hours are reprinted below for your convenience:
 - Tuesday: 2–3 PM in my office in 4 Deady.
 - Tuesday: 4–5 PM is when I am on-duty at the daily Math 111 help session (on the top floor of Deady Hall).
 - Wednesday: 4–5 PM in my office.
 - Friday: 3–4 PM in our classroom. If there are few people, however, I often move it upstairs to the top floor of Fenton Hall.

I am often willing to meet outside of these hours if you make an appointment. You can view my schedule online: <http://darkwing.uoregon.edu/~cphan/schedule/>
