

Duck Bill Thrill - Bike Map

Bike Loop 1

- A** - Competitors transition from the swim to the bike.
- B** - Trained flagger stops traffic and directs bikers to disregard stop sign as they exit Winberry Park and turn right onto Winberry Creek Rd.
- C** - Trained flagger stops traffic and directs bikers to disregard stop sign as they turn right onto Big Fall Creek Rd.
- D** - Trained flagger stops traffic and directs bikers to turn left onto Reuben Leigh Rd.
- E** - Trained flagger stops traffic and directs bikers to disregard stop sign as they turn right onto Jasper-Lowell Rd.
- F** - Trained flagger stops traffic and directs bikers to disregard stop sign as they turn left to continue on Jasper-Lowell Rd.
- G** - Trained flagger stops traffic and directs bikers to turn left to continue on Place Rd.
- H** - Trained flagger stops traffic and directs bikers to disregard stop sign as they turn left to continue on Place Rd.

- I** - Trained flagger holds traffic at four-way stop and directs bikers to disregard stop sign and continue straight through the intersection.
- J** - Non-certified volunteer flagger stands at the same intersection as flagger "C" and directs bikers to turn right onto Winberry Creek Rd to complete their loop.
- B** - Upon returning to point "B" a volunteer directs bikers to continue past the Winberry Park entrance for an out and back along Winberry Creek Rd.

Bike Loop 2

- B** - Volunteer directs bikers to continue past park entrance along Winberry Creek Rd.
- K** - Non-certified volunteer flagger directs bikers to turn right and continue on Winberry Creek Rd.
- L** - Non-certified volunteer flagger directs bikers to turn around a cone and head back along Winberry Creek Rd.
- K** - Upon reaching point "K" again the same flagger directs bikers to turn left to continue on Winberry Creek Rd.
- B** - Upon reaching point "B" again a non-certified volunteer flagger directs bikers to turn right into Winberry Park to return to the transition zone.
