

The Mission of EPP is to promote awareness, opportunities and educational experiences concerning environmental policy and planning.

EPP Meeting Minutes – Tuesday, April 8, 2008

Attended by: Matt P, Aaron D, Sara S, Tim B, Nick K, Kate A, Katie M, Larisa

- I. Welcome/Introductions
- II. Greeting Cards—Sara mailed them to Bring and Next Step Friday (April 11th), so I hope you signed them!
- III. Elections:
 - Plan of attack:
 - Nominate candidates for president, treasurer and secretary—email Aaron at aderwing@uoregon.edu with your nominations. Others can be added at the next EPP meeting.
 - You have to have been at one EPP meeting to vote and to run for an office.
 - At the next meeting we will discuss additional nominations, process and determine next steps (so be there or submit your suggestions via Aaron if you can't be!).
 - After elections, there will be an officer transition meeting and the new officers will sign up at ASUO so you can have access to funds, forms, info., etc.
 - Kate mentioned that the idea of integrating Live/Move and EPP has come up in casual conversations and the transition of officers is a good time to transition the group as well...should the group want to keep discussion going on a potential integration/merger.
- IV. ASUO-Programs Council Meetings
 - There is one this Thursday, April 17th from 4-6pm. They (at ASUO) have requested that new officers who are transitioning into positions start attending these meetings...so if you're interested in an officer position, this is a great opportunity to get the ball rolling!
- V. Spring Activities
 - Tim mentioned Live/Move bike fair-May 2nd
 - Bands
 - Speaker

- Recruiting booths—one idea for EPP was “pimp yo ride”...Live/Move covers the costs (thanks big daddy warbucks!).
 - There was a Kidical mass scheduled for Friday, April 11th—Nick, any update on how it went?
 - Bird n Bike trip
 - Rafting (hosted by Aaron)
 - Campout-last weekend in April—Kate will follow up with more details
 - Grass roots garden—Brett is contact for this one
 - Worm bin workshop—Katie M!
 - Brewery Tour—Nick, are you on this?
- VI. John Baldwin Film and Lecture Series update
 - Hang materials—there are posters in the basement of Hendricks. Later in the week there will be half page flyers for you to pick up and distribute.
 - Aaron will be sending info to the Daily Emerald
 - Katie M has been the HOPES contact—she will email info to Nick and Sara who are taking the lead on the films at HOPES (These folks will make sure there are Earth Day schedules for Sat. at the HOPES event)
 - Volunteers—Brett is collecting names....please sign up if you haven't already! Names generated at the meeting include: Aaron, Kate, Matt/Milo, Sara, Brett, Briana....
 - Tim will find someone to introduce Ted White on Saturday since those in Human Settlements will be forced to miss the Earth Day event.
- VII. Earth Day event on Campus
 - Briana sent an email to Kate prior to the meeting since she couldn't be at the EPP meeting. EPP will have a table (and share it with Live/Move?- Tim was going to check on this) on April 22nd from 11am-4pm in the amphitheater of the EMU. We will have a ¼ page flier for EPP that promotes Spring events...(although to be honest, our man power is heavily focused on the John Baldwin event and I'm not sure if there will be much to plug for EPP at that point....any thoughts/ideas?) Live/Move will be promoting their bike fair. See attached excel file to sign up for potential tabling times.
 - See previous emails for other Earth Day events on campus or contact Briana at orr.briana@gmail.com
