

**Intercollegiate Athletics Committee Meeting**  
**Director's Conference Room - Casanova Center**  
May 7, 2003

**Committee Members and Guests Present:** Susan Gary, Dave Heeke, Tom Larson, Jim O'Fallon, Brad Shelton, and Debbie Nankivell.

**National Letter of Intent Infraction**

Jim O'Fallon briefly outlined a recent infraction involving the department's football program and the national letter of intent process. The department self-reported the incident to the Pac-10 and imposed sanctions on the coach involved, as well as the program. The next steps are for the Pac-10 to approve the self-imposed penalties, then await final word from the NCAA. Jim assured the committee that Bill Moos takes any violation seriously and expects department staff to comply with all rules and regulations.

**Men's Basketball Scheduling**

The men's basketball team played one more game than allowed during the 2002/03 season. The error occurred when games played during a tournament were counted incorrectly toward the total number of games played. The mistake was not noticed until the team was in the midst of Pac-10 play when it was too late to correct the error. To compensate, the team will play two fewer games next season. Improvements are also being made to ensure that the correct number of games are scheduled in the future.

**OSAA Championship Events Update**

The Oregon School Activities Association's executive board approved the department's proposal for hosting future 4A boys' basketball, 3A and 4A football, and state track championship events at the department's facilities for the next five years. This influx of students and their parents from throughout the state should help the local economy and showcase the UO.

**Next IAC Meeting**

The next IAC meeting is scheduled for 4:00 p.m. on Tuesday, May 27, 2003, in the Director's Conference Room at the Casanova Center. This meeting will focus on the new arena project.
