

ROOM ATTRIBUTES FOR COURSES

Office of the Registrar

November 2007

The following attributes may be added to specific courses on the Banner form SSASRAT. The attributes are used by Schedule25 as part of the procedures for assigning classrooms. Attributes should not be added for all courses; general department preferences have already been established. Only those with specific classroom requirements should have attributes added. Add these judiciously; the more attributes selected, the lesser chance that a suitable room will be located.

Buildings

BALL	Allen Hall
BCHP	Chapman Hall
BCHI	Chiles Center
BCOL	Columbia Hall
BCON	Condon Hall
BDEA	Deady Hall
BEDU	Education Building
